- 7.8 If the **Works** do not reach **Substantial Completion** by the **Date for Substantial Completion**, and liquidated damages are specified in Item 14, the Contractor will be entitled to liquidated damages in Item 14 for every day after the **Date for Substantial Completion** up to and including the **Date of Substantial Completion**.

8. EXTENSION OF TIME

- 8.1 Within 15 **Business Days** after the Subcontractor becomes aware, or reasonably ought to have become aware, that the **Works** are being, or will be, delayed for any reason, it must give to the Contractor a notice stating:
- (a) the cause of delay;
 - (b) the length of the delay; and
 - (c) the extension, in **Business Days**, of the **Date for Substantial Completion** being claimed by the Subcontractor as a result of the delay.

- (a) a delay caused by any act, default or omission of the **Principal**, the Contractor or other subcontractors or their respective agents; or
 - (b) any delay that is not reasonably foreseeable and is beyond the reasonable control of a competent and experienced subcontractor other than delays arising from industrial conditions or inclement weather occurring after the **Date for Substantial Completion**.

- (a) granting the full extension of the **Date for Substantial Completion** requested by the Subcontractor; or

 - (c) completely rejecting the extension of time requested by the Subcontractor and providing the reasons for doing so.
- 8.4 If the Contractor fails to give to the Subcontractor a written notice in accordance with clause 8.3, the extension of the **Date for Substantial Completion** claimed by the Subcontractor is taken to be granted.

- 8.5 If the Subcontractor's progress of the **Works** is delayed as a direct result of a cause of delay described in clause 8.2 (a) and the Subcontractor claims and is granted an extension of the **Date for Substantial Completion**, in accordance with this clause the Subcontractor is entitled to give to the Contractor a written claim, calculated on a daily basis, for any extra costs it incurred as a result of the delay during the period of the extension as part of its next progress claim after the extension is granted.
- 8.6 The Subcontractor must support any such claim with documentary evidence of the extra costs it has incurred.
- 8.7 The Contractor must pay to the Subcontractor, as part of its next progress payment, those delay costs claimed in accordance with this clause which are reasonably evidenced by the Subcontractor's documentary evidence.
- 8.8 Where an amount is specified at Item 7, the Subcontractor's maximum entitlement to delay costs shall be an amount equal to or less than the daily amount for delay costs set out in Item 7.
- 8.9 Notwithstanding this clause, at any time prior to **Substantial Completion**, the Contractor may for its own benefit, at its sole discretion and for any reason grant an extension of the **Date for Substantial Completion** regardless of whether the Subcontractor has made any claim in accordance with this clause.

9. PAYMENT

- 9.1 The Contractor must pay to the Subcontractor the **Subcontract Price**.
- 9.2 The Contractor must pay to the Subcontractor the **Subcontract Price** progressively in accordance with this **Subcontract** and within the period set out in Item 10 of the Schedule or, if no period is stated, within 25 **Business Days** after the Contractor's receipt of a payment claim. Payment is on account only.
- 9.3 From each **Reference Date**, the Subcontractor is entitled to give to the Contractor a written payment claim. Each payment claim must be compliant with the **GST Act**, be given in writing to the Contractor and must include details of the value of work done up to and including the **Reference Date** and may include details of other monies then due to the Subcontractor pursuant to the **Subcontract**.

9.4 If the Contractor is given a payment claim, the Contractor must respond to the payment claim by giving the Subcontractor within 15 **Business Days** of receipt of the payment claim a payment schedule which:

- (a) identifies the payment claim to which it responds; and
- (b) states the amount of the payment, if any, that the Contractor proposes to make; and
- (c) if the amount proposed is less than the amount stated in the claim – states why the amount proposed to be paid is less, including the Contractor’s reasons for withholding any payment.

10. RETENTION AND OTHER SECURITY

10.1 If retention is specified in Item 12, then the Contractor may retain from any payment due to the Subcontractor, the percentage of retention specified until the total value of retention and any other security held by the Contractor is 5% of the **Subcontract Price**.

10.2 Any retention or other security is to secure the performance of the Subcontractor’s obligations under the **Subcontract**.

10.3 At any time prior to the release of all of the retention, the Subcontractor may give to the Contractor security to take the place of all or any part of the retention, which security shall be in the form of a valuable instrument from a financial institution that is an approved security provider under the *Financial Accountability Act 2009*.

10.4 On the Contractor’s receipt of the security in accordance with clause 10.3, the Contractor must release to the Subcontractor retention equal to the value of the security received.

10.5 On the **Works** being brought to **Substantial Completion** in accordance with clause 7, the Contractor must release to the Subcontractor any amount of retention and other security in excess of 2.5% of the **Subcontract Price** by the due date for payment of a payment claim made on or after the **Works** have been brought to **Substantial Completion**.

10.6 On the expiry of the **Defects Liability Period**, the Contractor must release to the Subcontractor any remaining amount of retention or other security.

10.7 Subject to clause 10.9, if the Contractor intends to use the whole or any part of any retention or other security to obtain any amount owed under this **Subcontract** by the Subcontractor to the Contractor, the Contractor must give to the Subcontractor written notice of the intended use, and the amount owed, within 28 days after the Contractor becomes aware, or ought reasonably to have become aware, of the Contractor’s right to obtain the amount owed. The term “amount owed” has the meaning given in section 67J of the **QBCC Act**.

10.8 Where retention or other security is held, the Contractor must within 10 **Business Days** before the end of the **Defects Liability Period** give written notice to the Subcontractor advising:

- (a) the date that the **Defects Liability Period** ends; and
- (b) for retention –
 - (i) the amount to be released to the Subcontractor at the end of the **Defects Liability Period**; and
 - (ii) the date on which the retention amount is proposed to be released to the Subcontractor;
- (c) for any other security, a description of the other security held and the date on which the other security is proposed to be released to the Subcontractor.

10.9 If:

- (a) all or part of the **Works** have been taken out of the hands of the Subcontractor; or
- (b) the **Subcontract** has been terminated; or
- (c) the Contractor intends to use the retention or any other security to make a payment into court to satisfy a notice of claim of charge under the **BIF Act**,

then the Contractor can use the retention or any other security on giving the Subcontractor 5 **Business Days** prior written notice.

- 11.1 At any time prior to **Substantial Completion**, the Contractor may give to the Subcontractor a written direction to carry out a **Variation**.
- 11.2 If the Contractor proposes a **Variation**, the Contractor may give to the Subcontractor a written request for advice on:
- (a) the feasibility of the proposed **Variation**;
 - (b) if the proposed **Variation** would increase any part of, or add to, the **Works**, the scope of work necessary to carry out and complete the proposed **Variation**;
 - (c) the effect of the proposed **Variation** on the **Date for Substantial Completion**, if any; and
 - (d) the adjustment to the **Subcontract Price** if the Subcontractor is prepared to carry out and complete the proposed **Variation**.
- 11.3 Within 3 **Business Days** after receipt of the Contractor's written request, the Subcontractor must give to the Contractor a written notice advising the Contractor of the matters requested.
- 11.4 Where the Contractor directs the Subcontractor in writing to carry out a **Variation**, the **Subcontract Price** is adjusted by:
- (a) if the Contractor and the Subcontractor have agreed a price for the **Variation**, that price; or
 - (b) if the Contractor and the Subcontractor have not agreed a price for the **Variation**, the reasonable value of the **Variation**, including a reasonable allowance for profit, overheads and administrative costs.
- 11.5 The Subcontractor is not required to carry out a **Variation** unless a written direction to carry out the **Variation** is provided to the Subcontractor by the Contractor.
- 11.6 The Subcontractor's entitlement to claim payment for a **Variation** is not affected by the Contractor's failure to issue a written direction to carry out the **Variation**.

12. SUSPENSION OF THE WORKS

- 12.1 If the Contractor fails to pay the whole or any part of an amount due to be paid to the Subcontractor in accordance with clause 9, the Subcontractor may serve a written notice on the Contractor of the Subcontractor's intention to suspend carrying out the **Works** in accordance with section 78 of the **BIF Act**.

- 12.2 If the Subcontractor, in exercising the right to suspend carrying out the **Works**, incurs any loss or expenses as a result of the removal by the Contractor from the **Works** of any part of the **Works**, the Contractor must pay to the Subcontractor, as part of its next progress claim, the losses or expenses which are reasonably evidenced by the Subcontractor's documentary evidence.
- 12.3 If the Subcontractor suspends carrying out the **Works** pursuant to clause 12.1, or the Contractor directs the Subcontractor to suspend the whole or part of the **Works** under clause 12.4 due to a cause outside the reasonable control of the Subcontractor, the Subcontractor is not liable for any loss or damage suffered by the Contractor because of the Subcontractor not carrying out the **Works** during the period of suspension.
- 12.4 The Contractor may direct the Subcontractor to suspend carrying out the whole or part of the **Works**:
- (a) because of an act, default or omission of the Subcontractor or its agents or employees;
 - (b) for the protection or safety of any person or property;
 - (c) to comply with a court order; or
 - (d) because of suspension of work under the **Head Contract**.

13. DEFECTS LIABILITY PERIOD

- 13.1 The Subcontractor must ensure that any **Defects** are remedied prior to the expiry of the **Defects Liability Period**.
- 13.2 At any time prior to the expiry of the **Defects Liability Period**, the Contractor may give to the Subcontractor a written direction to remedy **Defects** within a reasonable period.
- 13.3 If the Subcontractor fails to comply with a written direction given to it in accordance with clause 13.2, the Contractor may have the **Defects** remedied by others, and will be entitled to the costs it reasonably incurred in having the **Defects** remedied.

14. DAMAGE, SITE CLEANING AND REINSTATEMENT

- 14.1 The Subcontractor must ensure that at any given time the part of the **Site** in or on which it is carrying out work is kept reasonably clean and tidy.
- 14.2 If the Subcontractor fails to keep its part of the **Site** reasonably clean and tidy, the Contractor may give to the Subcontractor a written direction to clean and tidy its part of the **Site** within a reasonable period.

- 14.3 If the Subcontractor fails to comply with a written direction given to it in accordance with clause 14.2, the Contractor may have the Subcontractor's part of the **Site** cleaned and tidied by others, and will be entitled to the costs it reasonably incurred in having the Subcontractor's part of the **Site** cleaned and tidied.

15. INSURANCE

- 15.1 By the **Start Date**, the Subcontractor must, at its own cost, effect and maintain the following insurances:
- (a) all insurance required for the Subcontractor to comply with the *Workers Compensation and Rehabilitation Act 2003* (Qld); and
 - (b) public liability insurance with a reputable and financially sound insurer upon usual and reasonable terms which name as an insured the Contractor and the Subcontractor for their respective rights:
 - (i) covering against any liability for personal injury or death to a person, or damage to property, arising out of, or otherwise in connection with, the Subcontractor carrying out the **Works**;
 - (ii) for at least the amount specified in Item 15 of the **Subcontract** Schedule in respect of any one event and in aggregate; and
 - (iii) which includes a cross-liability provision or term where the insurer waives all right of subrogation or action that the insurer may have against any of the persons named in the policy as the insured.
- 15.2 If the Contractor gives to the Subcontractor a written request for documentary evidence that the Subcontractor has effected and maintained the insurance required in accordance with this clause, the Subcontractor must within 5 **Business Days** give to the Contractor such documentary evidence.
- 15.3 The Subcontractor warrants that, as at the date of the **Subcontract**, it has the public liability insurance as described in Item 15.

16. COMPLIANCE WITH STATUTES

- 16.1 Subject to clause 4.2, the parties agree to comply with all relevant laws and legal requirements.

17. INDEMNITY

- 17.1 The Subcontractor indemnifies the Contractor against any liability for personal injury or death of a person, or damage to property, arising out of, or in connection with, the Subcontractor carrying out the **Works** except to the extent that the injury, death, or damage was caused, or contributed to, by an act or omission of the Contractor, its agents, employees, other subcontractors, or consultants.

18. SET OFF

- 18.1 Subject to clauses 10.7 and 10.9, the Contractor is entitled to set-off against any amount due to the Subcontractor in accordance with the **Subcontract**, any amount due to the Contractor from the Subcontractor under or for breach of the **Subcontract**.

19. DISPUTE RESOLUTION

- 19.1 Nothing in this clause 19 prejudices a party's rights under the **BIF Act** or otherwise, to enforce payment due under this **Subcontract**, or to seek injunctive or urgent declaratory relief.
- 19.2 If a dispute arises out of, or otherwise in connection with, the **Subcontract** either party may give to the other party a written notice of dispute stating the details of the dispute.
- 19.3 Within 7 **Business Days** after a party receives a notice of dispute, the parties must confer at least once to attempt to resolve the dispute or to agree on methods of doing so.
- 19.4 If the dispute has not been resolved, or the parties have not agreed on methods to resolve the dispute, within 14 **Business Days** after a party receives a notice of dispute, either party may, without limiting its rights, start proceedings in a court of competent jurisdiction, or for a payment dispute, in accordance with Chapter 3 of the **BIF Act**.
- 19.5 Notwithstanding the commencement of proceedings in accordance with clause 19.4, the parties must continue to comply with their obligations in accordance with the **Subcontract**.

20. TERMINATION UNDER THE HEAD CONTRACT

- 20.1 If the **Head Contract** is terminated for any reason, the Contractor may give to the Subcontractor a written notice terminating the **Subcontract**.
- 20.2 If the **Subcontract** is terminated in accordance with clause 20.1, the Subcontractor is entitled to give to the Contractor a progress claim for the unpaid value of the **Works** carried out by the Subcontractor up to, and including, the date on which it received the Contractor's written notice of termination, including for materials reasonably ordered by the Subcontractor which the Subcontractor cannot return or use elsewhere, but only if those materials become the property of the Contractor or its nominee upon payment.

21. WORKPLACE HEALTH AND SAFETY

- 21.1 The Contractor and the Subcontractor agree that each of them is a *person conducting a business or undertaking* within the meaning of the *Work Health and Safety Act 2011 (Qld)* and each must comply with its obligations under the *Work Health and Safety Act 2011 (Qld)* and any other legislation relating to workplace health and safety.

22. DEFAULT AND TERMINATION

- 22.1 If either party becomes bankrupt or goes into liquidation, the other party may give that party a written notice terminating the **Subcontract**.
- 22.2 A substantial breach of the **Subcontract** includes, but is not limited to:
- (a) for the Contractor, a failure by the Contractor to:
 - (i) pay to the Subcontractor a progress payment in accordance with clause 9; or
 - (ii) comply with its obligations under clause 21 (Workplace Health and Safety).
 - (b) for the Subcontractor, a failure by the Subcontractor to:
 - (i) diligently carry out and complete the **Works**;
 - (ii) carry out and complete the **Works** in an appropriate and skilful way using all reasonable care and skill, and in accordance with the **Subcontract**;
 - (iii) carry out and complete the **Works** in accordance with all laws and legal requirements;

- (iv) effect or maintain any insurance required in accordance with clause 15;
- (v) hold or retain all qualifications necessary to carry out the **Works**, including any licences required under the **QBCC Act**; or
- (vi) comply with its obligations under clause 21 (Workplace Health and Safety).

- 22.3 If a party is in substantial breach of the **Subcontract**, the other party may give to the party in substantial breach a written notice to show cause, stating:

- (a) the details of the substantial breach or breaches including, where applicable, the relevant clause of these General Conditions; and
- (b) that the party in substantial breach is required to remedy the substantial breach or breaches, or otherwise show reasonable cause in writing to the other party why the **Subcontract** should not be terminated within the period stated in the notice, which must not be less than 10 **Business Days** after the date on which the notice is given.

- 22.4 If the party in substantial breach fails to show reasonable cause in writing by the date and time stated in the notice given by the other party, the other party may by further written notice to the party in substantial breach terminate the **Subcontract**.

- 22.5. This clause 22.5 applies if:

- (a) the Contractor is in substantial breach of the **Subcontract**; and
- (b) the Subcontractor gives the Contractor a written notice to show cause in accordance with clause 22.3; and
- (c) the Contractor fails to show reasonable cause in writing by the date and time stated in the notice given by the Subcontractor why the **Subcontract** should not be terminated:

then the Subcontractor may, rather than terminating the **Subcontract**, by written notice given to the Contractor, suspend the whole or any part of the **Works**.

If the Subcontractor suspends the whole or any part of the **Works** in accordance with this clause 22.5, the Subcontractor must remove the suspension if the Contractor remedies the substantial breach or breaches at any time prior to the Subcontractor terminating the **Subcontract** in accordance with this clause 22.5.

If the Subcontractor suspends the whole or any part of the **Works** in accordance with this clause 22.5, the Subcontractor shall not be entitled to terminate the **Subcontract** pursuant to this clause 22 for a period of 20 **Business Days** after the date of suspension under this clause 22.5. If the Contractor fails to remedy the substantial breach or breaches within 20 **Business Days** after the Subcontractor gives the Contractor a written notice suspending the whole or part of the **Works**, the Subcontractor may terminate the **Subcontract**.

22.6. The right of a party to terminate this **Subcontract** in accordance with this clause 22 is in addition to any other power, right, or remedy that the party may have at law or in equity. Nothing in this clause 22 (including, in the case of the Subcontractor, the exercise by the Subcontractor of any rights under clause 22.5) prevents a party from terminating at law or in equity or terminating pursuant to clause 22.1.

22.7 On termination of the **Subcontract** (on any basis whether under this **Subcontract**, or at law or in equity), a **Reference Date** is deemed to arise at the date of termination.

23. WAIVER

23.1 No provision or term of the **Subcontract** may be waived, varied, discharged, or released by a party unless such waiver, variation, discharge, or release is evidenced in writing.

24. ENTIRE AGREEMENT

24.1 The **Subcontract** embodies the entire agreement entered into between the parties and supersedes all previous agreements between them relating to the subject matter of the **Subcontract**.

25. ASSIGNMENT

25.1 Neither party may assign its rights or obligations under the **Subcontract** without the prior written consent of the other party.

26. GST

26.1. Unless otherwise specified, all amounts payable under this **Subcontract** are exclusive of **GST** and shall be calculated without regard to **GST**.

- (d) the amount of a party's entitlement under this **Subcontract** to recovery or compensation for any of its costs, expenses or liabilities is reduced by the input tax credits to which that party is entitled in respect of those costs, expenses or liabilities.

APPENDIX – FORM 6 CONTRACTOR’S NOTICE OF END OF DEFECTS LIABILITY PERIOD

(Condition 10 of the General Conditions of QBCC Commercial Subcontract)

IMPORTANT INFORMATION ABOUT THE NOTICE

WHERE THE NOTICE IS REQUIRED

The Notice advises contracted parties when the Defects Liability Period ends and the amount of retentions, if any, proposed to be paid. Under section 67NC of the *Queensland Building and Construction Commission Act 1991* (the QBCC Act), and clause 10.8 of the General Conditions of this Subcontract, this Notice is required if either of the following applies —

- a. a retention amount is withheld;
- b. a security is held after practical completion in relation to the need to correct defects in the building work under the contract.

TIMEFRAMES WITHIN WHICH THE NOTICE MUST BE GIVEN TO THE SUBCONTRACTED PARTY

Where it is required, the **Notice must be provided to the Subcontractor within 10 Business Days before the end of the Defects Liability Period, unless:**

- The Defects Liability Period is for a Sub-Subcontract (i.e. where a Subcontractor contracts with another contractor who will perform work for the Subcontractor as a Sub-Subcontractor) and is linked to the Defects Liability Period for another higher Subcontract; and
- The Contractor (higher Subcontractor) is NOT given notice of the Defects Liability Period for the higher Subcontract in sufficient time to enable them to notify the Sub-Subcontractor within the 10 Business Day period.

Where the above circumstances apply, the Contractor (higher Subcontractor) must give this notice to the Sub-Subcontractor within 5 Business Days of the Contractor (higher Subcontractor) receiving its notice under the higher Subcontract.
